Student Workbook

Bring this to every session. You will leave with a funded-trust plan, not homework.

Education and document assembly only — not legal, tax, or financial advice. Realtors do not practice law. Every student is referred to a licensed attorney for review before signing, notarizing, or funding.

My Asset Inventory

List every asset: home, LLC, bank/brokerage, vehicles, equipment, other. Mark Funded or Not Funded. Be brutally complete — what is missing here is missing from your trust.
